However, at the instance of the Union Deptt. of Culture, the State Govt. approached Planning Commission for funds for the above Project form the Non-Lapsable Central Pool of Resources (NLCPR). At the time of the examination of the proposal it was noticed that the Union Deptt. of Culture has been spending below 10% of their Annual Budgetary Support during the last three years on the North East and Sikkim. The Planning Commission accordingly decided that the proposal may be forwarded to the Deptt. of Culture with the request to suitable consider it for support from their own budget. The matter is under consideration of the Union Deptt. of Culture.

(d) The proposal for construction of North East Regional Institute of Parliamentary Studies at Guwahati was considered by the Committee administering the Non-Lapsable Central Pool of Resources in its meeting held on 7th February, 2001. This proposal was not found feasible to be accommodated under the Non-Lapsable Central Pool of Resources as it did not fit into the broad objectives of the NLCPR.
